"We Get The Lead Out"

## Roof Cap Stem Vent (RCV)

### Benefits of our RCV Stem Vent:

The stem vent eliminates the need for metal adapters by integrating the stem into the roof cap vent.

Dampered vent features one-way vent system.

Available in 4" and 6" diameters. Choose from 3 available colors: Gray, Black, and Dark Brown.

Specs:

Base is 2.5# lead, 18" x 18"

Stem is 3-7/8" long for easy positive connection.

Made out of the same I.C.B.O. approved plastic used in larger roof vents.
